

SQUARE UMBRELLA SHADE

Our single post umbrella is a great option for schools, restaurant amenities, and parks. This commercial umbrella comes in eight sizes between 8 feet and 30 feet. Additionally, you can choose from 8-foot, 10-foot, or 12-foot entry heights. If you opt for our Quick Release attachment, you can remove the shade's fabric ahead of storms, snow, or high winds. You can customize your umbrella with your choice of frame and fabric color.

QUICK RELEASE ELBOW MAKES WEATHER PREP A BREEZE

Wind happens... That's why we offer the Quick-Release tensioning elbow—available as an add-on for practically any shade. Snap the canopy tight in seconds, then pop it off just as fast when coastal squalls, lake-effect snow, or rowdy spring gusts roll in. Remove the fabric and our steel frames are rated to withstand wind gusts up to 150 mph!
